CHARACTERS & STORY

YUTO URUSHIYAMA
漆山佑人

A classmate to Kotarou and Tatsuki. Friendly but a bit of a goofball, Youto can analyze people by reading their emotional auras (and hence is also an ESPer). He's noticed that Kotarou and Tatsuki have mysterious powers of their own.

After transferring to Tokyo to escape his depressingly backwater country high school, Kotarou Ochira has a problem. It's not just that he can't understand Tatsuki's hatred toward him, or that Youto can be more than a touch aggravating at times... but the boy is swiftly proving that he sports a bull's-eye on his back. If there's trouble in Tokyo, you can bet it'll find Kotarou, and soon after Tatsuki and Youto must run to the rescue. And is this frustrating force here who's desperate to disavow his oddness? It is indeed.

Despite some dangerous run-ins at school events and in the city, Kotarou's managed to find himself a girlfriend, Mio is sweet, understanding and even a year older...and despite the fact that her devious friend Chiaki has far from disappeared, Mio remains the ranks of Kotarou's noble defenders. She's becoming intrigued with Tatsuki, and even more intrigued with his relationship to her loving little boyfriend.

TATSUKI OCHIRA
大平竜樹

Kotarou's cousin. Kotarou unknowingly gave him postcognition when they were kids; since Tatsuki hates the power, he's less than friendly toward Kotarou.

KOTARO OCHIRA
大平虎太郎

A high school freshmen who despises his own pretty face and girly mannerisms. Has a mysterious touch-based ESP, but doesn't know it. Currently dating Mio.
